## Events Disclaimer

Vabu enables independent organizers to create and manage experiences. We do not directly host or manage the events & experiences listed on Vabu.

By purchasing and attending any event & experiences listed on Vabu, you acknowledge the following:

### 1. Photography and Videography

Each organiser may have their own policy regarding photography and videography at their event.

Any photo or video capture at the event will be **subject to the terms and consent agreements set by the specific event organizer.**

### 2. Media Usage Consent

**Vabu does not automatically claim rights to your image or likeness.**

If the organizer chooses to share or use photos or videos from the event (including content captured during your attendance), **your consent will be based on what you agree to when purchasing a ticket or attending that specific event.**

Organisers are expected to clearly communicate any media usage policies during the ticketing or check-in process.

### 3. Organizer Responsibility

Media policies, consent terms, and data usage are the **sole responsibility of the experience/event organizer.** Vabu is not responsible for how images or videos are captured, used, or shared by organisers or other third parties.

### 4. Limitation of Liability

Vabu will not be held liable for the misuse or distribution of your image by third parties, organizers, or other attendees.
